Law Enforcement And The INS: A Participant Observation Study Of Control Agents

Synopsis

This book is a participation observation study of control agents, and the agency where they work. The theoretical framework for this study focuses on norms as rules in use, and contributes to the sociological concept of deviance.

Customer Reviews

If US immigration policy and its related topics of Drugs and Crime interests are important to you...and if you live here, they should be! This book is a must read. (Michael Levine author of NY Times bestseller Deep Cover and Trial Consultant)

George Weissinger, PhD, is an Assistant Professor of Criminal Justice at Queensborough Community College, City University of New York. Professor Weissinger earned his doctorate in sociology from New York University, Graduate School of Arts and Science, and was a former criminal investigator with the legacy Immigration and Naturalization Service. He also served as a Sr. US Parole Officer supervising organized crime offenders in the Eastern District of New York. After retiring from federal service, he also worked as a special investigator and independent contractor for the Federal Bureau of Investigation, Background Investigations Unit.
