I bought this book to understand the ancient Indian philosophy and am pretty amazed with how much I got to learn. This book is beyond a transformative experience and in fact is an enlightenment into an intellectual world. Highly recommend this book to anyone who is just looking for a good read to anyone who is pursuing the meaning of life.

The Tulsi Ramayana by Sri Tulsidas is bound to bring tears to one who listens and reads this Hindu Bible.

This is one of the best purchases I have ever made. I am not an ardent reader, but this book is sooo addictive. I cannot put it down.
