Text: English, Hebrew (translation) Original Language: Hebrew

I appreciate the extra prayers for country leaders and armed forces found in this siddur.

I love this prayer book for many reasons, not the least of which is the size and clarity of print! Like other Art Scroll prayer books it includes a lot of instruction and commentary. It is a wonderful American Orthodox standard to which others may be compared. I like it enough that I bought an extra one to give to a friend. She likes it, too.

If you are an Orthodox Jew or would like to understand the prayer book, this is the official siddur (prayer book). Extremely well laid out with essential instruction about ritual in appropriate places.

as expected

Excellent, clear, concise, precise.. and because I am able to concentrate completely when I daven!

Perfect!

If your first language is English, and/or you are just learning Hebrew, then this is the Tanakh by which all others are judged (-in my opinion).

I am buying these for my synagogue to replace older copies. Good condition, and I am quite familiar with the contents.
