Customer Reviews

I was hesitant to buy since it is not Nat'l Geo, but I couldn't have asked for a better book for my young academic. There's layers of information here that will last her for several years- bright and interesting images with caption for now (7yrs), and maps and more complex text as she becomes more advanced. Addresses culture, global issues, and geography, and seems to hit all the areas of the world fairly. Great price and good enough condition to be a gift.

Bien completo. Excelente para aprendizaje dr niÃƒÂ os.

I gave the book to my sister and is thrill with all the information, due to the fact that they are many more countries since we graduated from school. Thanks Y.Castilla

Great book, condition was just as explained, and was delivered as scheduled. It was a gift for my dad, and he loved it!!!

I like it but I wish they just listed the countries and I don’t find such a list

Is good
