Old Home Love

Synopsis

Get to know the couple (and the houses) behind HGTV's newest hit series, Old Home Love. Andy and Candis Meredith believe there's nothing that can't be fixed. Their passion for saving and renovating old homes, which caught the attention of HGTV, sparked the creation of their new reality series, Old Home Love. Their stunning debut book features never before seen images of more than 15 homes, (including their own, renovated by the couple themselves), do-it-yourself renovation tips and guidance, and their family's story. Old Home Love will inspire readers to discover the history and beauty behind their own homes, regardless of location or style. Andy and Candis Meredith take dilapidated houses from the 1800s and restore them to their original beauty for future homeowners to cherish for years to come. They live in Payson, Utah with their six little boys and baby girl in tow.

Bought this for my mom and it's a beautiful book that was well put together!

What an awesome book! Loved the pics just wish they would have written a little more info. Great coffee table book!

Beautiful! That is the best way to describe this book. The homes and buildings that they have chose to highlight are amazing! Thank you for restoring things to beauty for us all to enjoy!

Beautiful book full of gorgeous images and lovely stories.

This is such a beautiful book, but if you're looking for more information and details about how to, materials and paint colors used, you'll be disappointed. It just a coffee table book full of pretty pictures.

Lush pictures of beautifully restored homes but lived in by modern families. I'll most likely never have a historic home but some great decor ideas for my own renos.

I haven't had a chance to read this book yet but from the pictures I know I will love it!!!

I just loved this book. I read every word and the photos were great!
