## **Customer Reviews**

I love the illustrations of Susan Branch and this pad of weekly sheets will help me keep track of how many books I read this year.

All of Susan Branch's Products are lovely, and this handy desk pad has her touches and is fun to use. The watercolours she does have this sweet and charming flair that always bring a smile. I am delighted as always. If you are unfamiliar with Susan's books, I encourage you to enjoy her warmth and enthusiasm for her environment, food and travel. She is a delight!!

For anyone that wants to be organized this is a pretty addition to one's desk. Susan Branch followers...You'll want this one!

I like this but I wish there was more space to write on for each day. I also wish it had the dates on each day. But, for what it is, I like it

Very disappointed in weekly desk pad, perhaps it was my expectations, I thought it was larger...you know Desk Pad?

I love this desk pad. It's so handy to write out my weekly schedule on Sunday.

My wife loved it

a way to see your week
