I have only gotten through three chapters and the practice exams. The questions for chapter 3 do not match up with the material covered in the chapter. Information is stated clearly and well described but it is very concerning to study hundreds of pages and then take the quiz and find that 80% is not covered in what you studied. Very disappointed.

I'm no expert here but last I checked a multi media CD includes a CD. I received a book. Shouldn't the options be soft cover or Ebook? Am I missing a part of my product?

I took the aPHR today and this study guide was helpful for sure! Only Con is that I could not get the CD to run on my MacBook to use the practice tests :(The book itself does have review questions at the end of every chapter which was nice though. Beware, if you do not have a PC, the CD does not work!
