Synopsis

This popular book covering the Caribbean from Grenada and Barbados to the Virgin Islands is a translation from Jacques Patuelli's original French version. Each island is dealt with in detail and pilotage notes are followed by tourist information and the usual data on formalities and facilities. Fully illustrated with plans and photos, many of which are new for this second edition, the guide is packed with interesting and useful background information on the Caribbean; its history, tourism, geography and details on sailing in the islands. The last section of the book, the blue pages, consists of listings of facilities, restaurants, bars, hotels and other information of interest to tourists.
