Customer Reviews

Extremely short on information. 50% of the 99 pg book covers general information for foreign travelers: visas, passports, American customs, lists of hub airports in the U.S. The book is printed in large font, and triple spaced, if not, it would only be 40 pages long. No maps. A waste of money,

Home produced look with mis- numbered pages. Two or three line descriptions triple-spaced. Not worth the ten bucks.

Nowhere did this say this was a children's nonfiction book

Not much of interest.
