Product Dimensions: 5.4 x 0.7 x 8 inches

Shipping Weight: 15.2 ounces

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #1,614,248 in Books (See Top 100 in Books) #10 in Books > Travel > United States > South Carolina > General #699 in Books > Travel > Asia > Japan > General #2027 in Books > Travel > United States > South > South Atlantic

Customer Reviews

'Remarkably beautiful and helpful. Far more than a guidebook...a detailed introduction to the history, culture and geography of the state. South Carolina Packet

Each Fodor's Travel Guide is researched and written by resident experts.

South Carolina by Henry Leifermann is one of a series of Compass American Guides. Each state is written by a different author, and South Carolina is not only the best of them all, but also one of the most informative and concise guides ever written. South Carolina is a diverse and beautiful state, and few states can boast that they begin at the Atlantic Ocean and end at the mountains. The author first provides us with a crash course in history from the geology of South Carolina, to the Colonial Era, the Revolution, the Antebellum Era, The Civil War and through to race relations and the diverse population that makes up this state. Leifermann also includes chapters on the Sea Islands, Charleston, Coastal Plantations, Myrtle Beach and Grand Strand, Coastal Plain, Piedmont, and the Blue Ridge. In addition to maps, timelines, paintings, and drawings, all the chapters include

wonderful photography by Eric Horan. This book is also packed full of pertinent information such as facts about the climate, the economy, the population, and specifics (state bird, state flower, etc.). It also provides the reader with practical information such as bed and breakfasts, hotel chains, restaurants, historic sites, festivals and events, museums, parks and forests, tours, golf courses, and places to get tourist information. It even includes a recipe or two. So, if you're planning a trip to South Carolina, forget the AAA Tourbook and pick up Leifermann's book instead. You won't be disappointed.

Leifermann is an excellent writer, and his commentary is insightful. This is not your typical Chamber of Commerce, tourist brochure type of guidebook. The book is comprehensive and attractive, chock full of useful information. It contains excellent photography and tell-it-like-it-is descriptions. It has the accurate maps that are a necessity to any adequate guidebook. If you buy only one resource on South Carolina, this book should be it.
