I chose this rating because my experience was excellent. I have like everything about this product since it came as described and came quickly. I would recommend this product to everyone.

You can never go wrong with Adventures in Odyssey! These great stories are fun for the whole family.

This is the Album that talks about the power of words and how they can be used for destroying or building a person up. \*Also, Connie get to TEACH Eugene how to drive. HA!

My family and I love to listen to thgese stories as we travel. My kids even look forward to long trips. The stories are creative, inspiring, fun and family friendly. I highly recommend them.

Best audio series every

Well, getting these items originally started out for me to complete my collection... little did I know that they contained some episodes that I hadn't heard.... they are all good, and I welcome you to get each and every one of them and listen and then share with a friend/family member.
