A Woman Who Doesn't Quit - Bible Study Book: 5 Habits From The Book Of Ruth

Synopsis

Many people believe that doing great things for God is going to be a big moment. We need to be inspired by someone who lived out something crazy or unexpected for God with no lights, cameras or academy awards. Perseverance is one of the greatest skills but also the hardest lessons we will learn in our lifetime. We are living in a day where we are encouraged to do life based on how we feel. But the problem is most days we don't feel like doing much of anything hard. Then there is Ruth. She is much more than a Bible story and through her life we uncover five life-giving habits that help us to persevere when things get hard, complicated, and messy. But these habits do more than just motivate, they help us to fight when resistance arises. They teach us to pursue discipline and the desire to determine our daily direction. These habits show how success is not achieved by pursuing temporary desires. The direction of our lives needs to be far less about to-do lists and accomplishments. And instead focus on becoming the people God can count on.

Ordered this book for a Bible Study I'm attending. Good one.

fantastic bible study arrived fast

The book encouraged me. It was an interesting and easy read.

Excellent

Our women's life group did this study last spring and we loved it! Definitely get the workbook, too. I don't think I would have gotten nearly as much out of the study without the workbook. We also enjoyed the videos that went along with the study. The lessons were meaningful but the time commitment was not overwhelming.

This study could not have come at a better time. There was something very present occurring in my life that I could relate to each of the 5 habits. To God be all the glory for allowing me to go through this awesome study with some of my favorite ladies!

I love this devotional so far! I'd definitely recommend it if you're looking for something that encourages and challenges you. Unfortunately I don't have access to the videos, but I still can complete the book without them.

Our ladies group at church did this study last winter... our lives were CHANGED! Several of us in the group went through different tragic situations & Ruth's story helped us to get through it. Nicki did a great job of telling & teaching this story so that we could understand. I highly recommend this!! Also her personality is so sweet & contagious!
