Customer Reviews

THE LIFE RECOVERY BIBLE—now available for a limited time in this Celebration Edition—is the #1-Selling Recovery Bible. The living language and precise scholarship of the New Living Translation makes this Bible the clear choice for people in 8 and 12 step recovery.

Life-Changing Features

TWELVE TWELVE-STEP DEVOTIONALS: A

reading chain of 84 Bible-based devotionals tied to the Twelve Steps of Recovery and interspersed throughout the Bible text.

SERENITY PRAYER DEVOTIONALS: Based on the Serenity Prayer, these devotionals are placed next to the verses they are drawn from – an excellent 29-day devotional reading plan.

RECOVERY PRINCIPLE DEVOTIONALS: More than 50 fifty Bible-based devotionals, topically arranged, build upon each other to create an excellent guide to key recovery principles.

RECOVERY PROFILES: Key Bible characters are profiled, and important recovery lessons are drawn from their lives.

RECOVERY NOTES: Interspersed throughout the Bible text, these notes pinpoint passages and thoughts important to recovery.

RECOVERY REFLECTIONS: Topically arranged recovery reflections, at the end of most Bible books, pinpoint key insights learned from specific Scripture passages.

RECOVERY THEMES: Prominent recovery themes are discussed at the opening of each Bible book.

ADDITIONAL FEATURES: Book outlines, book introductions, topical index, devotional indexes, recovery profile index, and a user's guide.

Edited by David Stoop and Stephen Arterburn

Purchased for church. This was given to one of the "newcomers" in the " New Beginnings" class - which is held for those are taking themselves out of the addiction situation. It 's had to write very much about this item since it was given to someone else - but I know the teacher in the class has a larger version and he really happy with his copy.

I have never spent so much time in God's word. I love love love love love this bible! If I won the lottery I would buy one of these bibles for everyone in recovery and everyone who is still struggling with their addiction. My fiancé and I both have this bible and we read it together and then discuss what we read. I cannot even express in words what this bible is doing for me. I would recommend it to anyone who is or has been struggling with any kind of addiction. Whether it be drugs, alcohol, codependency, any kind of hurt habit or hang up. It's amazing! ABSOLUTELY AMAZING! !

This is a perfectly sized personal bible. It's been at least 25 years since I've looked at any kind of study bible and I can't remember being particularly impressed by them in the past, but I like this one. It is a perfect companion for further AA study. The size is a bit smaller than a trade paperback, the print easy to read

I bought 2 of these Bibles, one for me & one for my Step-Son. My Step-Son is in rehab for drug & alcohol addiction/abuse. He had seen this Bible while he was in prison and wanted one. I have read 3 versions of the Bible all the way through and wanted to read this one, too. I really like this Bible because it is written in easy to understand, modern everyday language. I love the notes on the side of the pages and also at the bottom. This helps clarify what is being read. This Bible could be read & understood by anyone. It's almost in a storybook version and this style makes it very interesting. If anyone has ever wanted to read the Bible all the way through, but found it too difficult, this would be the Bible to read. I feel that everyone has issues, not just recovering alcoholics/drug addicts. This Bible helps us all to look at our lives and address all issues that would keep us from following the life Christ would have us to lead. I can't wait to read this Bible every morning! It is truly wonderful and I recommend it to everyone of all ages.

I HIGHLY recommend the Life Recovery Bible. I have been a Christian for over 30 years and the New Living Translation has enabled me to understand the Bible in a whole new way. It was written in such a way so that it flows naturally and can be read easily outloud. I have never loved the Old Testament as much as I do now, after purchasing and using the Life Recovery Bible for several years. The devotionals included in the Life Recovery Bible are worth buying this book, even if you don't want another Bible to use. I have given many of these Bibles out as gifts to friends dealing with all sorts of issues including depression, addictions, etc. Everyone I know that has one, LOVES it! This is a Bible for someone who wants to grow and change. The devotionals are inspiring and motivating as well as encouraging. God has used this Bible greatly in my life and everyone I know who has one.

Awesome Bible! My husband was using it and wanted to quickly navigate to a certain chapter but in the table of contents it only showed each book and not individual chapters. I tinkered with it for a bit and voila go to the book you want from the table of contents then once you get to the book scroll a few pages until you reach the 1st chapter of any book. It should be in blue. Tap on the chapter and there you go every chapter is now available to be accessed immediately. Hope this helps in your worship and devotional time.

Excellent version of The Word of God; people are always asking us to find more copies of this Life Recovery Bible because it is extra specially powerful for those humans who are locked up, either

literally, or by drug and alcohol use. This copy is very clean, looks brand new.

I started reading bibles in depth 3 years ago, and I have purchased just about every translation and study bible in print. I was looking for God, for healing, for insights into what it really means to be a Christian, how to find release from the bondage of addictions and idolatry of any sort, and how to grow spiritually. I purchased this bible in August 2002. Since then, I have found answers in it that no amount of personal or group bible study using other bibles, Christian radio, professional counseling by therapists or pastors, church attendance, or prayer have given me. Almost every page has foot-notes, devotionals, in-depth comments, which teach about addictions and how to gain freedom, details about the road to recovery, all within a Christ-centered framework using the 12 Alcoholics Anonymous steps. You can look up just about any life-experience topic in the excellently organized index/concordance in the back of the Bible, to focus on passages which help you understand who you are, what you do, why you do it, and ways to gain release from whatever plagues you, and get closer to God in order to gain peace and restoration. I have abandoned all my other bibles in favor of this one. I would urge anyone who needs help in self-control, discipline, overcoming compulsive/obsessive behaviors, to dig into the Life Recovery Bible. You will be blessed abundantly. If you simply want to grow spiritually, and you have no addictions, this bible is also for you. Every day I can look forward to new insights and teachings in this bible, which I can apply immediately to my life. The text is easy to read for such a large Bible, the NLT translation is easy to understand, and the footnotes and other devotionals do not interfere with my enjoyment of every page. There is another Life Recovery Bible in the NIV (New International Version), which in my opinion is not nearly as good as this one.
