Customer Reviews

Maria Diaz is a freelance needlecraft designer who has been published regularly in magazines and books worldwide.

Lots of border ideas. Including bird houses and music. The diagrams are clear. DMC thread colors are given if you want that.. There are a few pages in black and white. It appears to be blackwork designs but are not labeled as such. They show small samples of the charted designs already stitched. It would have been nicer to have them closer to the charted designs. The book is a compact size..

GREAT

There are so many beautiful motifs in this book. It's hard to choose which border I want for my
