Customer Reviews

I've been an X Files fan for 20 years and I always loved the calendars back in the day. I was super excited when I saw they were finally making one again and jumped on it right away. Unfortunately when I actually received it I was extremely disappointed in the pictures they chose. They're very random and not thought out at all. It's obviously something Fox just threw together quickly to make a buck. I could have made my own and done a much better job.
