Prince Edward Island Book Of Musts: 101 Places Every Islander Must Visit

Synopsis

From potters and painters in Breadalbane to a museum devoted exclusively to seaweed in Miminagash, live music at Babaâ™s Lounge in Charlottetown to a sleep over at the West Point Lighthouse and the wonders of the Daylily farm in Belfast, this is the MUST list every Islander MUST have. From a beach rich with sand dollars and piping plovers, to the best greasy breakfast for your buck, it is all here. We also get Islanders from across the province to give us their MUST lists. They give us the most romantic beaches . . . Tastiest local recipes . . . Weirdest monuments . . . Best places to go antiquing . . . Coolest cafes. This is the ultimate insider MUST list. If you love Prince Edward Island, you simply MUST have the PEI Book of Musts.

Erin Moore is a freelance writer. She lives in Charlottetown.

I've visited Prince Edward Island several times and am always looking for new/updated travel guides. This one's a bit different -- no glossy photos or fancy charts, just an Islander's take on what she considers "must-sees" on PEI. Most of the places I already new about or had visited, but I found a few hidden gems to seek out on my trip next year. I wouldn't recommend this slim volume as a travel guide to PEI (the "Prince Edward Island Colourguide" is my favorite), especially for the first-time visitor. But if you're a frequent visitor -- or simply like to wander a bit off the tourist path -- this little book is a great addition to your travel pack.

THIS BOOK IS AWESOME IT SHOW ME PLACE I WANT TO VISIT WHEN I GO ON VACATION.THANK YOU FOR SHARING THIS BOOK WITH ME

This very compact book offers an inside look into PEI. It provides plenty of ideas for someone who wants to visit PEI and get a real flavor of the local scene.However, I am an Anne of Green Gables fan and the book offered no suggestions pertaining to the sights that inspired Ms. Montgomery's classic. none.I am returning my copy of the book due to this oversight. Yes, there are books on Anne that provide travel ideas, but since this was a "Must" see book, I (wrongly) assumed that this would at least cover a few of the most popular sights.

This book was written by Erin Moore with a visitor's eye.We have one and give them away to visitors to get them started exploring this great Island.Full disclosure - I know the author as explained in a story I wrote for NJN Network which I can't give you the url but you can find it with Google
