# Discovery Problems And Their Solutions

## Synopsis

Discovery Problems and Their Solutions, Third Edition teaches effective discovery. Judge Grimm and Messrs. Fax and Sandler interweave practical advice with case law and keen observations. Important developments since the Second Edition are looked at. This Third Edition also continues its focus on practice under the 2006 electronic discovery amendments to the Rules. Electronic discovery is inherently different from other types of discovery, and this book insightfully takes those differences into account. Discovery Problems and Their Solutions, Third Edition is an invaluable resource for discovery techniques and for associated motion practice.

Charles S. Fax, based in Maryland, serves as counsel to the Maryland firm of Rifkin, Livingston, Levitan & Silver. Judge Paul W. Grimm is Chief Magistrate Judge for the United States District Court, District of Maryland, and as an adjunct professor of law at the University of Maryland School of Law. Paul Mark Sandler is an active trial lawyer representing many notable clients in a wide variety of cases in state and federal courts.

A very concise and useful guide to litigating key discovery issues. It would have been even better with more material on e-discovery.
