Hebrews: Race To Glory (Lifeguide Bible Studies)

Synopsis

"What's the use?" At times of frustration or disappointment, it is tempting to ask this question. You work and work to grow to Christian maturity, but you seem to get nowhere--repeating your mistakes, neglecting your commitments, losing your motivation. The original readers of Hebrews felt the same way! Yet the writer of this New Testament letter cheers for them to stay on track and never quit, so they can reach the finish line by the power of Jesus Christ. As James Reapsome leads you through thirteen studies in Hebrews, he offers you--and all of today's faith-weary Christians--the encouragement you need to stay in the faith-race. This LifeGuide Bible Study in IVP's revised format features questions for starting group discussions and for meeting God in personal reflection, as well as a new "Now or Later" section following each session to help you act on what you learn.

James W. Reapsome is a retired pastor who also formerly served as editor of Evangelical Missions Quarterly and the World Pulse newsletter. He was also executive director of Evangelical Missions Information Service in Wheaton, Illinois. He is the co-editor of Innovation in Mission and the author of LifeGuide studies such as Exodus, Hebrews, Grief and Marriage.

This guide has been great - brings about fruitful conversations and digs in deeper to the Word!

I think its a good way to get you thinking more about what you are reading. I'd recommend writing your answers in a note book verse the book itself. That way you can do a topic with more than one person & share the book. The questions are towards common Christian beliefs and in simple for, not for those who are more schooled in the bible.

I have used Lifeguide Bible Studies in the past. This one for Hebrews is not as in-dept as other books of the Bible. I have completed five chapters to date and even my friend who is doing this study with me says it doesn't require much thought to answer the questions.

An overview that is solid, but for those wanting to dig into the meat of Hebrews I would want a more intensive study.

Lifeguides are a good start for preparing a group bible study. The questions are applicable for individuals of all stages of Christian development. This is a useful publication.

well, laid out. very user friendly. good for group use. this study also has helpful study aids for each chapter in the back of the book.

My friends and I worked the this Hebrews Bible study and founq it to be very thorough and thought provoking. When we first read through some of the questions, we thought they sounded a little ridiculous. We decided to do them anyway, and found that those were the questions that taught us the most. This book presents a nice balance of historical facts and current life applications.

Reapsome delves deep into the book, and helps us understand what we personally need to take from Hebrews to be better children of God.
