The Cowboy's Holiday Blessing (Cooper Creek Book 1)

Synopsis

Reformed rebel Jackson Cooper thinks he can handle anything—until a sullen teenage girl appears at his ranch, claiming the impossible. Even though he's not Jade's father, he can't turn her away, knowing she's in need. But he's going to need the helping hand of compassionate schoolteacher Madeline Patton. An unlikely duo with their own secret fears, Jackson and Maddie certainly don't expect the Christmas surprise of instant parenthood. Yet as they work toward giving a foster child a home, they might just discover the most wonderful gift of all: family.

Romance

Customer Reviews

"The Cowboy's Holiday Blessing" is the first Brenda Minton novel that I've read and it certainly did not disappoint. I thoroughly enjoyed the story line, and I thought it was quite good. I loved Jackson and Madeline's characters, especially Jackson's humor. I also liked how TCHB was a Christian

romance novel that taught how to face and conquer your fears, to trust in the Lord to lead you in the right direction and that everything happens for a reason, to open up your heart and mind to love and family, and to help others in need. I thought the ending was fantastic and I love when novels have epilogues. The only problem I had with this book was the author's writing style. I felt that some things could have been a little more detailed and descriptive, but otherwise I loved it. It was a perfect holiday novel, or for any day of the year. I'm excited to read more of the Cooper Creek Series. "The Cowboy's Holiday Blessing" is book 1 in this series.

Cooper Creek series is one to enjoy. The Cooper family is made of biological and adopt kids. Tim and Angie have had many foster kids also. Jackson is a reformed rebel. He has kept his mother, grandmother, and the church praying he would return to the fold. Then a sullen teenager girl shows up claiming he is her dad. Though it isn't possible, he is a Cooper. He can't turn her away. He and schoolteacher Madeline Patton work to find the real story. Madeline's whole life is disrupted by Jackson and Jade.

I Loved reading about the Cooper Creek family and how they are there for one another, Love how they love UNCONDITIONALLY, and put Jesus Christ first!!!

This book is one that really tugs on the heartstrings- perhaps more so for me than most because finding birth parents is a subject near and dear to me. I That said, I loved the characters of this book. I so want to live in Cooper Creek, nosy people and all. My husband teased me about my "boo-hooing" while reading the story, but I couldn't help but get emotionally involved. Now I feel a need to go find the rest of the Cooper Creek books. If you're looking for a nice warm fuzzy romance, for me, this one fits the bill. A good, clean read one can finish and feel... uplifted.

This is a well-written clean story. It's romantic without being crude, clean-values without being preachy or sappy. I fell in love with all the characters and am looking forward to reading more in this series.

This was a very good story; I really enjoyed reading it. It had some sad parts but you had the feeling that things would turn out O.K. The Cooper family is a warm and real family that you would love to know.

Love Christmas stories and redemption. I want more in the series but shame on or the publisher for charging more for each book the further the reader goes into the story on a kindle! Unacceptable.

Another good book by Brenda Minton but then all of her books are good. I especially like the cowboy series and the message that they each have.
