“The Volleyball Drill Book is a well-crafted book by two of volleyball’s all-time great coaches. If you want to land the formula for success of championship programs, this book is a great place to start.” Sharon Dingman-- Head Volleyball Coach University of Iowa

The mission of the American Volleyball Coaches Association (AVCA) is to advance the sport of volleyball and its coaches. The vision of the AVCA is for volleyball to become a mainstream sport in America and for the AVCA to be the epicenter for leadership, advocacy and professional development. The AVCA was incorporated as a private nonprofit educational corporation in 1981. The AVCA currently has over 5,600 members in all 50 states and the District of Columbia as well as in 30 countries. Eighty percent of college coaches are members of the AVCA, and membership at the high school and club ranks has doubled since 2006. The AVCA provides a professional network for those individuals and companies dedicated to enhancing and promoting the sport. Members include collegiate, high school, club, youth and Olympic coaches, as well as volleyball club directors. The AVCA provides education to volleyball coaches, recognition of elite players and coaches, promotion of volleyball competitions throughout the world, and networking opportunities for volleyball products and services providers. Teri Clemens was inducted into the AVCA Hall of Fame in 2004. In 14 years of coaching at Washington University, she compiled an impressive overall record of 529-77 and holds the NCAA DIII record for a career winning percentage of .873. Clemens led the Bears to seven national championships, including an unprecedented six consecutive titles from 1991 to 1996. Recognized as the Tachikara/AVCA DIII Coach of the Year in 1991, 1994, and 1996, Clemens is now a highly sought-after and nationally recognized motivational speaker and clinician. She has received the USA Volleyball All-Time Great Award and is also the author of *Get With It, Girls! Life Is Competition*. Jenny McDowell is the head coach at Emory University. With a career record of 480-122 and a winning percentage of .800 that ranks fourth all time among DIII coaches, McDowell led Emory to a national championship in 2008 and a second-place finish in 2010. She was named the AVCA National Coach of the Year in 2008 and the AVCA Regional Coach of the Year in 2004, 2005, and 2008. Before assuming her position with Emory, McDowell was an assistant coach at the University of Georgia, where she helped lead the Bulldogs to a 128-41 record and eight NCAA Tournament appearances. The first and only Georgia volleyball player to have her number retired, McDowell started the Emory Volleyball Camps, which host more than 1,200 campers each summer.

Great drills - very helpful for a new coach like me.

exactly what a H.S VB coach needs for their first year!

I use this book daily and I've added more variety to practice. The girls love it! It also makes my life as a coach much simpler...I just turn to a section on hitting and there are tons of drills...same for everY aspect of volleyball...serving, passing, setting, etc...

In full disclosure, I have not read every page yet but I am off to a good start. I am a starting my first year coaching middle school volleyball and this book is a valuable resource. My favorite part is how the front of the book shows a breakdown of each drill categorized by skill-type and then by difficultly. It was well worth the money and I recommend it.

As a former volleyball player in high school, this book gave me a great # of drills to use a a foundation to edit them and tailor into my own volleyball program. I would recommend this book to anybody trying to start coaching volleyball but they either forgot or don't remember enough drills!Great book, great diagrams, and has helped me a LOT

This book is so helpful. I just started coaching a men's volleyball team for the first time and it has great drills to use with everyone. There are step by step instructions with diagrams to help visual learners. I highly recommend this book for new coaches!

Great read for you volleyball coaches out there!

I coach a 17s girls travel team. The team loves the variety of drills this book provides. It not only reviews the basics, but challenges them both physically and mentally.
