A very sweet book that my son and I instantly connected with. It is a great introduction to the concepts of friendship and love using adorable animal characters. My son loves the cute little songs and phrases. Highly recommend for a book to be read to toddlers or for older kids to read aloud.

What a terrific book about a little bird trying to find love Down Under. My daughter absolutely loves this story and wants me to read it to her every night. Leaving us with a bit of a cliff hanger, we wait anxiously for the next installment.

I love this sweet little book! So charming and heartfelt, the characters come to life through such a

wonderful story -the kids will love it! I am giving the books to friends with little ones. Keep writing Remi dear - we need to see what happens next! A great job of writing and adorable illustrations!

I bought this as a gift but decided to read it first and so glad I did. What a beautiful story that brought a great feeling to my heart.

A fabulously fun and sweet read about an adorable love bird looking for his companion.

My amazingly talented daughter-in-law has a children's book launching today: PECK - A Lonely, Little Lovebird Down Under. This book is great for toddlers to young readers. This is a book that will stimulate their minds and their imagination. This is a very sweet story that any Mom, Dad, Grandmother and Grandfather will love reading to the young children in their lives. The book has adorable animals and very well illustrated. Don't take the word of a very partial Mom-in-law. Check it out for yourself and hopefully you will enjoy it as much as I have!
