Best Sellers Rank: #1,835,293 in Books (See Top 100 in Books) #78 in Books > Travel > United States > South Carolina > Charleston #78 in Books > Travel > United States > Georgia > Savannah #501 in Books > Travel > United States > South > East South Central

## Customer Reviews

Put the Best of Charleston in Your Pocket. Slow down, relax, and enjoy pleasant days and nights in one of America's most historic and romantic towns. Outspoken opinions on what's worth your time and what's not. Exact prices, so you can plan the perfect trip no matter what your budget. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. The best hotels and restaurants in every price range, with candid reviews. --This text refers to an out of print or unavailable edition of this title.

**About the Authors** A North Carolina native, Darwin Porter has lived in South Carolina and Georgia and explored extensively in the region's major cities and backwoods hamlets. He was a bureau chief of the Miami Herald at age 21 and has written numerous best-selling Frommer guides, notably to France, England, Italy, and the Caribbean. He is the coauthor of Frommer's The Carolinas & Georgia, working with Danforth Prince, formerly of the Paris bureau of The New York Times. Dan has lived in Georgia and traveled extensively in the Tri-State area.

We found this guide mediocre at best. If you are not interested in anything related to the history of slavery, this is your guide. Especially since it glosses over so much history. It's the fast food of travel books. If you ARE interested in the fact that the slave population out numbered residents 3 to 1 in Charleston, this is NOT your guide. Just like the city of Charleston (which was a major port), it seems the book doesn't really want to acknowledge its history. The individuals that built, tortured and were separated from their families deserve more than 2 paragraphs in this book. Pay your respects at the Old Slave Mart and read the newspaper articles carefully preserved to document the history of slavery in Charleston.

Very helpful and easy to use. As is a risk with any travel guide it was outdated for one place we tried to locate (a belgium chocolate store is now a Jamaican restaurant) and prices have gone up by at least \$2.00 for admission to many sites. But, all in all, we were glad to have it with us and it's size made it easy to carry all day.

portable enough to throw in my bag or easily carry

Good

This was a handy sized guide that had history, restaurants and pricing, places to stay, must do sites, and more. It was easy to carry along and faster to get restaurant phone numbers than pulling up on my phone. Loved the size. Up to date information. Very helpful!

Lots of good information and most of it is current

I used one of Frommer's guides to Savannah and had a fabulous trip there. The same maps and reviews of hotels, restaurants, and sights to see are included in this guide. It also includes a bit of

history and some travel tips. Great guides to make first time visits fun. I may buy one of local cities to see what might be interesting to see. Highly advised.

This guide book is just the right size: compact and light weight. It also has small sections on Hilton Head, nearby islands, and side trips.
