Romeo And Juliet And West Side Story

Synopsis

The tragedy of love thwarted by fate has always intrigued writers. In the sixteenth century, William Shakespeare took this theme and fashioned one of the world's great plays: *Romeo And Juliet*. In our own time, Shakespeare's drama has been used as a basis for the overwhelmingly successful musical play *West Side Story*. Though one of these works is set among the nobility of Verona, and the other among immigrant families of New York's West Side, both tell the story of the plight of young star-crossed" lovers. As Norris Houghton writes in his introduction: "What we see is that all four young people strive to consummate the happiness at the threshold on which they stand and which they have tasted so briefly. All four are deprived of the opportunity to do so, the Renaissance couple by the caprice of fate, today's youngsters by the prejudice and hatred engendered around them...." Poets and playwrights will continue to write of youthful lovers whom fate drives into and out of each other's lives. The spectacle will always trouble and move us, even as the two dramas in this volume do today."

It is what it says it is. Nice to have a script!

If you like romance and musicals well you'll like it, I bought it for a class and wasn't bad at all I just skipped the "singing parts" and the rest was nice.

It is Every thing I expected, it to Be be and more, these to stories are my two all Time Favorites since I was in High School.

Bought it for a class. Great book.

Shakespeare and Cervantes died in the same year, two different cultural time frames.

IT'S THE ONLY SHOW SCRIPT IN TOWN .

This single volume containing the scripts of both "West Side Story" and its source, "Romeo and Juliet," is an excellent resource for comparing and contrasting both plays. I highly recommend it.

This is another awesome ebook it's all good I recommend everyone To read it! Thank you! Have a great afternoon!
