My Rider: All That I Need

Synopsis

Things aren't always what they seem. Sometimes our Knight in Shining Armor is just a figment of our imagination. Season I Sunny Long was excited when she thought she had found the perfect man in Stanley. When they met, he did and said all the right things. But that all came to a screeching halt once he'd gotten his hooks into her. Sunny soon found out that her Knight was nothing more than a crazy controlling abusive beast. Because of the physical abuse, Sunny must go into hiding. Rider Hills can't believe it when he sees the beautiful Sunny with black eyes and a battered body. He is more than happy to take her in and show her how to defend herself. In the midst of protecting her, love and respect blossoms. As their passion grows can Rider keep Sunny safe or will Stanley succeed in killing them both? Season II Ford Hills has been shot and left for dead. No one knows who would want the nicest of guys killed. Heading home from work Latoya finds Ford on the side of the road. She springs into action determined to nurse him back to health. Will her kindness and compassion lead to her putting herself in harm's way to rescue him from the unknown? Season III Passion Sims has it all. She is CEO of a great company. She has beauty, money, and tons of lovers that she easily controls. Love has never been in the equation; until she meets Chance Tate. Chance remembers letting the chocolate beauty get away at a party. A decision that he regrets daily. A surprise meeting brings the two face to face once again. Will she allow love into her heart? Or will she lose the man that loves her more than life itself because of her selfish attitude?

Customer Reviews

Rachael set her pen on fire before writing this novel with three urban, love stories, and saved the best one for last. It was a breath of fresh air to read about the other side of the stereotypes that have men as dogs, women lost and in love with a loved one gone, and can't find a good man. Latoya is looking forward to your third book, Rachal. You have a new number one fan.

This was my first book from this author. I truly enjoyed it this will not be my last I look forward to reading more

This was a really good read. I loved all three of the stories but sunny and Rider was my favorite. I'm definitely going to read more from this author.

My Rider by Rachal Perez is brilliantly well-written. Inside, readers will find three well-developed stories that instantly pull them in deep. I absolutely love romance novels especially when the writers combine more than one amazing story into a book. This was by the greatest book from Blazing Pages Publications. Here, I had a taste of three different scenarios that had me hanging in suspense from beginning to end. Each story contained real life characters with believable destinies and a predicament for trouble. I also enjoyed the variety. Women are left running away from trouble or women finding injured men that bring trouble to their lives. Either way, each story caught and captured my divine attention and dragged me into each character's shoes. Absolutely loved the style of writing that held the perfect amount of intrigue, romance, and danger. Readers will find themselves lost in the exciting plots that await for their eyes. Overall, I would highly recommend My Rider by Rachal Perez to readers everywhere.

This book kept me reading till I finished it, lol I couldn't put it down! Thanks for another great one.

All these stories was excellent. I can't say I liked one better than the other cause they all had that passion in them.

I enjoyed all 3 stories. The first one was my favorite Rider and Sunny, we need more RIDERS...

All three stories were soo good. At the end I applaud Passion for doing what she did, it's hard toPut your pride to the side sometimes
