Best Easy Day Hikes Portland, Oregon (Best Easy Day Hikes Series)

Synopsis

The Best Easy Day Hikes series are handy, pocket-size guides for day hikers in America's most popular outdoor destinations. Each guide describes approximately 20-30 easy-to-follow, scenic trails in and around national parks, cities and urban areas, and popular outdoor destinations across America. With hikes varying from half-hour strolls to full-day adventures, these guidebooks are for everyone, including families.

Customer Reviews

Lizann Dunegan is a freelance writer and photographer whose other FalconGuides include [Hiking Oregon](#) and [Hiking the Oregon Coast](#). She lives in Portland.

very good information, I have done 5 of the 30 hikes in the book and they have been spot on with the details of the trails. the only con that I see is they give information to other map books and the information needs to be updated to the latest rev on the other maps, as the page numbers don't match up anymore.

We used this book extensively during our recent trip to Portland and took 9 of the hikes. There were hikes in the city itself as well as hikes that could be done on day trips. The book fit into the pocket of my husband's cargo shorts, so it was easy to bring along on the hikes. Information and locations seemed accurate. Highly recommended!

Small, lightweight, easy to carry with you. Clear. Shows a great overview map of portland with all of the hikes. Even has a few a little out of the city for those moments you want to drive for something better

Nice hiking guide for portland

As a frequent summer visitor to the Rose City, I took this book along this year as a new volume in my collection of Portland walking/hiking guides. In addition to the terrific access the Portland public transit system provides for city walking adventures, for those who also have access to a car and want to do some day hiking outside of the city, I highly recommend this wonderful little volume. Brief descriptions of each hike give a good sense of what to expect, and clear directions along with easy to read and small, but accurate, maps provide sufficient detail for a satisfying experience on the trail. Many of the hikes are actually within the city of Portland, but several splendid local and state parks to the east, south and west of the city are included. The book is small enough (7" x 4 1/4") to fit easily into most hiking packs/bags or even large pockets. A very useful guide for any hiker wanting to sample the wide variety of easy Portland area trails!
