Great information for our upcoming trip!

This book was a well used guide on our recent trip to Oahu. It took all the trial and error out of the trip and allowed us to enjoy the best the island had to offer without wasting time trying to figure it out for ourselves. I especially appreciated chapter 5 Hawaiian Food. It listed many Hawaiian delights, including pronunciations, thorough descriptions, and where to find them to enjoy. Thank you for sharing your expertise with us.

not organized well. not comprehensive enough. photos not labeled. need reference page. did not give ample information. disappointed with purchase.

Wow! I had no idea there were so many great things to see and enjoy on this Island. I've been there twice and missed most of the fun activities and location the authors revealed on Oahu! I'm considering going back there rather than Maui just to see what I've missed. My friends have been there and they said they had this book open all the time while they were there and were very glad they did! Great photos - great perspective and instructions shared.
