The Wild Horses Of Sable Island

Synopsis

Sable Island, a small island off the coast of eastern Canada, is the site of some 500 wild horses, 500 shipwrecks, and 500 years of known history. Never settled, the island, also known as the "Graveyard of the Atlantic," has seen temporary occupation by shipwrecked sailors, transported convicts, pirates, and wreckers. The wild horses, named for the island they inhabit, abandoned there long ago or cast ashore from wrecks, are now the only terrestrial mammals on Sable Island. Roberto Dutesco's twenty years' documentation of Sable Island comes to you as a stunning volume of photographs, an unprecedented collection of extraordinary moments in a place uninhabited by humans, where the wild horses run free, unaware and unafraid of man. Dutesco portrays the wild beauty of these horses as well as the barren and unspoiled quality of the island, creating an immersive photographic memoir that captures the soul and spirit. The Romanian-born Canadian photographer's aim is to document and record this enchanted place for posterity, for our children's children, as an important place in Earth's history, and more so in our current moment, when unique wild places are vanishing. It is Dutesco's life project, celebrating the beauty he encountered in a place forgotten by time, desire, and conquest--Sable Island.

Customer Reviews

This book is absolutely stunning. I purchased it as a gift for a friend of mine who used to ride and compete and had seen this photographer's work. She mentioned how much she loved his photos and that he just published a book. I bought it as a surprise to thank her for some stuff she had done.

She was beyond excited and said it's by far one of her favorite gifts and she has it on her coffee table and looks at it weekly. It's the PERFECT gift for someone who loves horses. I've considered buying it myself.

I spent more on this book, than I have EVER spent on a book, photography, coffee table or otherwise...worth EVERY penny...thank you, Roberto...:)SueJ

Absolutely gorgeous book. It was extremely well received and I am utterly delighted with this book.

A beautiful book that makes me fully recognize the strength and beauty of these horses. This is a definite keeper.

This book is amazing! Bought as a gift for my sister, but now want one for myself!

Stunning Photos! Worth every penny! What a beautiful, untouched island!

I purchased this book as a gift. Beautiful. Large book. Pictures are in black and white. Color pictures would have been nice.

My husband purchased this for me for my birthday. It's a beautiful, high-quality 'coffee table' book.
