Product Dimensions: 0.5 x 7 x 9.5 inches

Shipping Weight: 1 pounds

Average Customer Review: 3.8 out of 5 stars 2 customer reviews

Best Sellers Rank: #5,208,193 in Books (See Top 100 in Books) #17 in [Books > Travel > Canada > Provinces > Saskatchewan](#) #700 in [Books > Travel > Canada > Provinces > British Columbia](#) #1048 in [Books > History > Americas > Canada > Province & Local](#)

Customer Reviews

Rewards the reader with an explanation of the fascinating historical events that shaped Saskatchewan's regions. It includes a wide range of sites, towns, markers, historical buildings, and related photographs. However, the maps included are confusing and incomplete. For example, none of the maps give any highway numbers. This approach is perhaps fine for anyone actually living in this province and who is familiar with the roads, but a wider audience needs more help. I suggest reading this worthwhile guide with a road map. Also a more complete bibliography would be appreciated.

As an Eastern Canadian, I knew very little about Saskatchewan's rich history. I thought Saskatchewan was limited to wheat and football. After reading this book, I anticipate travelling to this underrated province in order to discover its historic jewels firsthand. This book was very well-written. It touches upon the subtle flavours and treasures that form Saskatchewan's unique character.

Meika Lalonde shows an extraordinary ability to present historical facts and stories with relevance and dynamism; no stagnant images of dusty relics here. This book now sits on my shelf alongside Crime and Punishment and Great Expectations.
