The Little Lights Berenstain Bear series helps children learn how God wants them to live every day. Most of the Berenstain Bears' neighbors are like the Bear family---they keep their homes neat and clean. Except for the Bogg Brothers who live in a run-down shack. In The Berenstain Bears Love Their Neighbors children learn that being a good neighbor takes more than keeping a nice home.

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Love the Berenstain Bears books and this one is no different love reading them to the kids!!!

An excellent book for my grandkids who are 2, 4, and 6. We have most of the BB books around here, but this one has no 'bad guys' or questionable story pieces that are uncomfortable for little ones, just people who are different. It is now one of their very favorites. It is well done - both the story line as well as the lesson are clear and easy to understand.

The message of being kind to your neighbors is so simply woven into this story even the small aged children can understand the concept. This series is a favorite of mine.

Bought this for a prison ministry program where inmates read the story and it is recorded to give to their child. I thought this would be a good story.

This was a gift but I've been giving Berenstain Bears books since my first niece was born (almost) Excellent books to read with a message for us to learn by.

Love these books!

Great book

I love how it teaches kids to love neighbors even though they might be different, just like the Bogg brothers :-)
