Basketball Coaching: How To Coach The Dribble Drive Motion Offense: Includes Basic And Advanced Concepts, Basketball Drills, Quick Hitters, And Secondary Breaks

Synopsis

Basketball Coaching: How to Coach the Dribble Drive Motion Offense Basketball coaching using an aggressive dribble drive motion! You will learn the Dribble Drive Motion Offense based on Vance Walberg's concepts. Also, this offense is "positionless" like the style of the Golden State Warriors and adaptable to your personnel allowing a coach to decide where and how to attack an opponents. Win games while improving all of your players during competitive practices. We also break down the basic and advanced concepts of this offense including how to teach it, step by step, using game like drills and breakdown teaching concepts. Here is a Preview of What You'll Learn

- Why you should use this offense with your team
- The mindset and philosophy to be successful in this system
- How to teach the DDM offense step by step
- Quick hitters to counter to what the defense may try to do
- Specific plays you choose to adjust this offense to your team
- What are the best practice drills to install this offense

If you want to learn the most aggressive, attacking, dribble penetration offense available, then this book is for you. It will reveal many of the counters and adjustments a coach can make during a game to take control at the right moment. This book will give you an offense that has proven itself time and time again as well as the teaching methods to help your players. Guaranteed.

Customer Reviews

Excellent! This 109 page book is a basketball coaching philosophy and detailed breakdown of the Dribble Drive Motion Offense. I loved the teaching buildup, terminology, and practice drills. One thing I would try to improve on would be a few more zone plays as a counter. However, I know coaches have their own zone plays, so that didn't bother me. Overall, this is easily a 5 star book because of the value it offers at the low price. Thanks coach for another great coaching resource!

It is a must read if you would like to coach the DDM offense. I highly recommend it to anyone who is interested in teaching the DDM offense.

A basketball coaching handbook that is an amazing addition to any library. The book details the parts of the dribble drive motion offense including the breakdown drills that build the offense. All of the drills and plays have detailed diagrams that explain the offense. I have always wanted to learn more about this offense since watching it ran by the Kentucky Wildcats and John Calipari. This book explains the offense in detail for basketball coaches that want to use this offense.

Lee has a written a clear and concise breakdown of the Dribble Drive Motion Offense. It is a must read for coaches that want to use this offensive system. I recommend it to anyone interested in teaching these concepts.
