## Customer Reviews

My husband and I have booked a river cruise through the Rhone Valley to celebrate our 10th wedding anniversary. I love maps -he says he married a "map girl" - so this Michelin map is perfect for me. I can clearly see all our ports of call, as well as the surrounding areas. I understand that all this information is available on line, but there's nothing like holding a map in your hands, so far as I am concerned. This map has good detail, and will withstand many foldings and unfoldings.

GOOD, VERY DETAILED
