Devotions From The Garden: Finding Peace And Rest In Your Busy Life

Synopsis

Come to the garden alone, and fill your soul with his presence. There's nothing on Earth like the peace and loveliness of a magnificent garden. It's the place where Adam and Eve first fellowshiped with God and where you, too, can escape from this chaotic world into his loving arms of beauty and serenity. Devotions from the Garden takes you to that place where senses are restored as dewdrops settle and butterflies gather to witness the miracles of God's creation bloom and grow. These 90 devotions explore the parallels of life with the elements of the garden to help you see God, to sense his presence, to soothe your soul, and to rest in knowing he is with you throughout each day.

Customer Reviews

This is a beautiful Devotional Book. The devotions take garden terms and then write how the term applies to one's faith. My husband is a Master Gardener and we purchased a few books to give to his Master Gardener friends for Christmas gifts. They sent us thank you notes and told us how they loved the book and would like to purchase some as well. My husband and I will purchase more when needed.

Great book for inspiration and gardeners, has so much meaning.

This book takes me to the garden in sweet serenity.

Great daily tool to stay close to the Word and focused. Love the way it brings the Word together with our everyday life. Thank you.

An amazing devotion for gardeners! Parallels all that a gardener learns with scripture reference. Great way to start your spring and summer days!

if you are wanting a quick devotion before you walk out the door or something to calm your spirit before bed this is a nice read.

Great devotional book.

Sweet and inspiring
