PAULA DEEN, Culinary icon and queen of Southern cooking, Deen is a self-made success story who learned the secrets of Southern cooking from her grandmother. Deen's first business, The Bag Lady, started her successful career and led to the opening of her first restaurant, The Lady and Sons, with her two sons Bobby and Jamie five years later. In addition to her success on TV and with her restaurant, Deen is a two-time Emmy award winner and the author of 15 cookbooks that have sold more than 11,000,000 copies. Paula's magazine Cooking with Paula Deen celebrates its 10th year and has over 3 million readers. In 2014, Deen launched the Paula Deen Network, an interactive digital cooking network that combines cooking, lifestyle and game shows with great recipes, meal-planning tools and more. Paula's social media fan base exceeds six million strong.

I love this book and can't recommend it enough. I previously bought an Air Fryer Cookbook (not to be named) and was disappointed as the recipes were boring and not enough diversity. Paula's book has it all apps, mains, seafood, sides, desserts and an entire chapter dedicated to the potato. I love the Shepherd's Pie Stuffed Potatoes, Air Fried Mac & Cheese Squares, Fried Asparagus, and of course Paula Deen's Southern Fried Chicken which is so crispy and crunchy you would swear it

was deep fried. I am looking forward to making The Fried Apple Pies for Thanksgiving. Using my Air Fryer frees up my oven for everything else I'm making. Well done and thank you!

Excellent! Lots of great recipes. Colorful, large pictures of food. Nice layout of chapters and recipe pages. I have made many of the recipes and they are easy to follow and delicious. Great if you are new to Air Frying. I would highly recommend this cookbook. If you have kids, they will love the food too!

Some good sounding recipes. I get it. Paula Deen is not a low fat cook. Whatever made you think her air fryer cookbook was going to be low fat.

Still learning how to use my Air Fryer but everything has turned out good so far!!! Thank you Paula for giving me simple and easy to follow instructions!!!

weird recipes, was lookin for down home stuff

gift

Gave this as a gift to my son for his birthday, found out later that the dial was assembled wrong. He had to repair it to use it. Good thing he had the knowledge
