Kay Arthur is a four-time Gold Medallion award-winning author, member of NRB Hall of Fame, and beloved international Bible teacher. She and her husband, Jack, cofounded Precept Ministries International to teach people how to discover truth through inductive study. Precept provides teaching and training through study books, TV and radio programs, the Internet, and conferences in over 180 countries and 70 languages. Pete De Lacy, executive vice president of published products for Precept Ministries International, is also the author of many studies in the New Inductive Study Series and a contributor to The New Inductive Study Bible and Discover the Bible for Yourself. Pete is also a featured teacher on many "Precept Upon Precept" videos.

Kay Arthur's new inductive study series is an extremely helpful tool for a small group bible study.

The study provides structure for a weekly group discussion and teaches an inductive method to dig deep into the bible daily. However the reason we used the New Inductive series for John and Isaiah is to allow a first time visitor (or a member who didn't do any homework) to attend the group meeting and benefit from reading bible and observing the text. As with Arthur's other studies, the bible text is the primary focus. Almost all study questions turn the reader's attention back to the bible, or as she states, always interpret scripture with scripture. If you're plan to lead this study, I recommend Howard Hendrix's Living By The Book (although Kay Arthur has a How To Inductive Bible Study that I haven't read). If you're familiar with the main Precept Upon Precept series, you'll miss the convenience of the double-spaced, wide margin book of the bible included with those studies.

love Kay Arthur. Great study. She makes the word, simple.

The inductive study by Kay Arthur is a necessity for anyone who wants to dive deeper into the meaning of the Bible, and truly see the supernatural inspiration

This study provides insights into the words of the prophet who lived 2,700 years ago and how it relates to you today and what the 2nd coming will look like.

THESE GREAT BOOKS BY KAY ARTHUR ARE PART OF A 2 YEAR STUDY OF THE PROPHETS & KINGS OF THE OLD TESTAMENT.

Everyone should read this study. It can be easy to pass through this book on your own but with guidance you get so much more out of it.

Love Kay Arthur's Bible Studies

This done by Kay Arthur and Pete DeLacy is absolutely up to the Kay Arthur standards of material. I can recommend it highly to a sincere Bible student.
