Customer Reviews

I like everything about this small map. It is very comprehensive in its coverage of the central areas of Glasgow plus it is so small and lightweight that it easily fits in a pocket or purse. I had used the one for Edinburgh on a couple of prior trips there so when I started planning a trip to Glasgow I immediately ordered one for that city. I have found nothing whatsoever negative about these maps.

Great little map to carry on my trip next Summer. I plan to get more for each of the cities I will be visiting.

This was a very good map and very helpful to find my way around Glasgow.
