Wu Wei is the author of a dozen books on Chinese philosophy and personal growth and the creator of the Chinese ink drawings in his books. He is world-renowned for interpretations of the I Ching that make this ancient and sometimes difficult-to-understand subject easy to use and apply. His other popular books include I Ching: The Book of Answers, I Ching Life, I Ching Readings, A Tale of the I Ching, I Ching Workbook, and his I Ching Gift Sets. --This text refers to an alternate Paperback edition.

I love all of the Wu Wei books no matter what people say about Chris Prentiss, I hope he writes more!

Very positive and affirmative. Easy to read and apply to everyday life. Wonderful goals for self

improvement. I have read it several times and now I read one passage every day for my thought for the day. Timely advice and knowledge for the ages but especially for the 21st century.

Lovely book. I like to read and contemplate on it at night before going to bed. I'm very fond of the author, Wu Wei. Thank you.
