Going to Belgium without knowing its famous places like place for food,market,coffee,drink,night time fun,beautiful sight,parks,cultural places and some one day trip near by belgium that's what no one wants to do at least if some one spent so much to explore Belgium.This book rather than I called a tourist guide that will definitely helpful for exploring these places like the lunch box ,exotic market,Brocantwerpen and many more .I would recommend this guide to any belgium tourist.Disclaimer- Got this free book to give my honest opinion about the book

I'd like to travel for months to different unfamiliar places and luckily I came across Antwerp. I've never heard of it before so I had to do some research. Reading this book made me include Antwerp in my travel destinations. The book discusses the things you'll find in Antwerp and it even has maps on how you can make your travel easier. I found it interesting to travel to as it's something new and something really different compared to the other places I've traveled to before.
