Promo Poly-Canvas Bible / Book Cover W/Fish Applique (Large, Navy Blue)

Customer Reviews

I bought this Bible cover as a gift for my 11-year-old daughter to go with her new Bible. Her absolute favorite color is purple, so she liked it immediately for that reason alone. She feels that it is a bit too large for her pocket-sized Bible; however, she doesn't mind because it gives her plenty of room to keep her pens, highlighter, and notebook paper (and whatever else she may want/need to take to church on any given Sunday). She is very pleased with it, which pleases me. I anticipate her decorating it with markers and stickers pretty soon though (probably a weekend project lol). We'll have to see how it holds up to wear and tear after a bit of use.

this is a very dark purple

Love the color but odd size

Was disappointed that this was SO HUGE! Product description doesn't match what so ever. I wish they would adjust the measurements in their description so not so many people are doing the same thing I am now. Wanted to love it but you could honestly make a whole other cover with the extra material from this bag. I returned mine..... Sad....

Didn't last very long.

Came on time. Seems like good quality. I guess time will tell. The dimensions seem a little bigger than listed because it swallowed the bible I got to go in it and I thought they were going to be just around the same size. The material is pretty heavy duty.

I got this as a gift for my mother and she loves it. She had a heavier leather cover for her Bible and has gotten to where she really needs to lighten the load that she carries around. Since that leather cover was also getting very worn, she agreed to try this new version. We were both surprised at how much she likes this and it fits her Bible perfectly. You do need to measure your Bible and look at the specifications that are posted for the size of this. Seems to me like it would work for any book and not just a Bible but a Bible cover is what my mother was looking for.

I checked the measurements of this case along with the bible I would be using it for and it was a good fit. When I got it the cover it was way too big. Sent it back with a shipping label provided by

and my refund was put into my account in a few hours.
