Founded in 1999 by college student Aaron Peckham as a parody of the dictionary, UrbanDictionary.com features definitions written by people from all over the world. Since then, Urban Dictionary has been cited in court, in graduation speeches, and by countless media outlets, including CNN and "Time" magazine. Aaron listens for the newest words and phrases in the San Francisco Bay area. Online: UrbanDictionary.com

I enjoyed reading it. Shared some of the definitions with friends.

Made for a great stocking stuffer. Very funny. We read it aloud to each other on Christmas morning and were picking our favorite definitions

I bought this as a gift and the receiver enjoys it

funny

It is very helpful

I purchased this book for my Kindle and wish I had purchased it as a paper back. As an e-book it's difficult to use and usually gets ignored.

Funny looking end-table book that isn't all that funny. It's outdated by this point.

It's genuine. Doesn't contain anything that you actually look up and laugh at online. You know, all the stuff Tosh.0 mentions and warns you NOT to look up.
