# 101 Ways To Reinvest Your Life

## Synopsis

You don't have to spend your second half of life twiddling your thumbs. And you aren't fated for an RV and faded bumper sticker announcing: "Retired, and spending my children's inheritance." Despite the notion that retirement means only fun and frivolity, members of the baby boomer generation view their latter years quite differently&#x96;&#x96;through the eyes of a life reinvestor. A life reinvestor uses talent, background, and spiritual gifts to follow dreams that have taken a backseat during the busy years of building a career and rearing a family. Rather than contemplating the pursuit of personal pleasure during retirement, a life reinvestor finds ways to invest in the lives of others. In *101 Ways to Reinvest Your Life*, Steve and Janie Sjogren show you specific ways to use your God-given abilities and hard-earned skills to make a difference in the lives of others. Decide to make the rest of your life the best of your life!
