Juror Karey Bresenhan is the founder, president, and director of Quilts Inc., the parent company of three American shows for the public and two for the quilting industry. Quilt Inc.'s shows include the International Quilt Festival/Houston, the world's largest annual quilt show. Karey currently resides in Houston, TX.

This is one of the best books if you want good quality photos of 500 inspirational quilts. These are not just reproductions of old quilts, traditional quilts have inspired them but they use stunning colour schemes and design updates. Very very impressed with this book, it is my current favourite design inspiration resource and I have a reasonable collection already. Some of the best quilts from the most amazing quilters from around the world. Buy it you won't be disappointed.

I used to work for the woman who was the juror for this collection. I know how much time and

attention Karey puts into each of her books, and this one certainly shows this discernment. For anyone who appreciates the fine art, (and it is an art), of beautiful quilts will love this book.

Good

Love the book! It's a Quilt Show enjoyed from your easy chair. A great inspirational book for Traditional Quilts.

A wonderful collection of all the quilts that were at the International Quilt Festival In Houston in the 500 Traditional Quilts exhibit this year. If you did not see the quilts in person, this is the next best thing and you can look at them over and over again!

This is a beautifully illustrated book filled with pictures of stunning quilts. A great coffee table book, but one you'll want to peruse thoroughly.

I love to READ cookbooks ... I also love to READ quilt books. This is one of the BEST around lately and a great addition to anyone's quilting library. Highly recommend!

A wonderful pictorial catalog of some of the world's most beautiful and awarded quilts. A must have for any traditional quilter's library.
