Customer Reviews

If you have a instant pressure cooker and if you want to get most out from this cooking tool, then I would like to say, learn few amazing instant pot pressure cooker recipes and enjoy your daily meal fullest. I heard about this cookbook in a social group discussion and after hearing from there, I picked it up last week. By the help of this book, I have learned dozens of easy & tasty soup recipes especially by using my instant pot pressure cooker. I already tried some of these dishes that what I learned from here and I was so amazed by cooking all those meals so easily with this tool.

Anyways, guys this is my honest opinion about the quality of this book and don't feel hesitate to grab & learn these recipes.

I believe soups make up an essential part of everyday diet, especially when it's cold outside. They are hearty, warming and nutritious. So I am always on the lookout for some new soup recipes, and I found some splendid recipes here, including baby potato soup, broccoli cheddar soup and others. The book features pics and nutritional info which is quite useful, but all measurements are in grams. But overall, it's a decent recipe book.

I love this amazing instant pot cookbook. I find it very helpful for me especially on preparing and making meal plan. I inspired using this cookbook with my Instant pot. The recipes are simple and meals is prepared in minutes. All that we have attempted has been wonderful. By reading this book I've learned some delicious recipes.

This is a very handy book which apart from general info also includes many delicious soup recipes which is quick and easy to made. The recipes includes lovely photographs and is step by step. Recommended to all soup lovers out there!

My girl is constantly cooking in the Instant Pot. And constantly looking for new recipes. This is a cool book, it has more than 20 recipes for soups. Every day something new and tasty. I hope soon out a book about side dishes.

Excellent cookbook. I like to cook, I love when it can be cooked easily, in this book there are excellent recipes I really like, I advised her already to her friends all liked it.

Great cookbook. This book is worth the price. I find the recipes practical and theyve turned out well for us. I really liked this one. Highly recommend this book.
