Summary: Ego Is The Enemy

Synopsis

This audiobook is divided into three different parts, namely "Aspire", "Success" and "Failure". This is to remind the reader to be: humble in aspirations, gracious in success, resilient in failure. This is attributed to the belief that everyone's life has cycles of three stages and at any one point we are either aspiring to something, succeeding at something, or failing at something. This book will not only teach you some invaluable skills, but it will make you consider your moral fiber. It will motivate you to improve yourself in every way, starting by conquering your ego. A light and easy read that will make you think and ask questions and surely grow from the experience.
