Shake Shack: Recipes & Stories

Synopsis

Shake Shack's first-ever cookbook, with 70 recipes and plenty of stories, fun facts, and pro tips for the home cook and ShackFan, as well as 200 photographs. Follow Shake Shack's journey around the world; make your own ShackBurgers, crinkle-cut fries, and hand-spun frozen custard shakes at home; and get a glimpse into the culture, community, and inner workings of this global phenomenon.

Customer Reviews

One of this season's most exciting new releases.

Eater.com • A must read. • Publishers Weekly, starred review

RANDY GARUTTI is the CEO of Shake Shack, the modern roadside burger-and-shake stand born in New York City with locations around the world. MARK ROSATI is the Culinary Director of Shake Shack.

They make very clear they're not going to share either their burger or their sauce recipe. So what's the point? This is a very thorough history of burger joints - pretty much all of them - but not much of a cookbook. I'm disappointed.

Worth the price of the book for the shack sauce and bacon and onion jam recipes alone! Made

shack burgers for Memorial Day with these condiments and they were a hit! Yum!!

Can't beat these burgers and buns. We recreated everything for our corporate party this summer. About one hundred guests thought they were the best burgers they had ever tasted. You have to do it as they describe, obtaining the original potato buns, etc. Read for yourself.

I believe that some of the reviews are a little harsh. Yeah, I'll agree that I would have liked so have seen a couple of Shake Shack recipes, but the book is titled Recipes and Stories, so I decided to take it at face value. I like the Chef Collab section with some interesting takes on burgers (David Chang). I also enjoyed learning more about the Shake Shack story. I'm not trying to dig in more than the book really is. Overall, some good recipes and an entertaining read.

While others admonish the lack of recipes, I thought the story itself was a great read. I didn't come into this knowing the special/secret meat blend they serve - but what they provide is a solid base. The fried chicken sandwich recipe, though, was worth the price of admission all by itself.

Good read! Like the way it is laid out!

The burgers turned out perfect!!!!

Can't wait for my husband to try these recipes
