Ireland - Culture Smart!: The Essential Guide To Customs & Culture

Synopsis

The island of Ireland is famous for its timeless beauty, the variety of its landscape, its quiet towns and lively cities, the poetic and literary genius of so many of its citizens, its music and folklore, and its colorful and bloody history. Businesspeople and visitors who don't know Ireland will find this book an invaluable introduction to the people, the country, and the economic opportunities it offers, while if you think you know Ireland and the Irish, you will find plenty here to broaden and deepen that knowledge, and plenty that will surprise you.

Etiquette Guides & Advice

Customer Reviews

I almost didn't purchase this book. I already speak English, what's to learn? Glancing at a few pages inside changed my mind. It's not enough to just speak English, it's more complicated than that. It pays to study the use of Irish English, as well as culture, before traveling there. People are the same the world over; courtesy and respect plus an effort to learn their ways are appreciated. They often use English in ways we do not. Otherwise you may live up to the stereotype of the intrusive and obnoxious American traveler!

This little book is an enjoyable and quick guide to traveling in Ireland. It is well-written and touches briefly on most every subject you will come across. Use it as a starting point to get you excited about your trip.

I always like to read such a book in preparation of going to a new country. It enhances my

understanding, decreases my faux pas and enriches my experience.

I loved the history and narrative on origins of habits and phrases. However, I think some of the current information is dated and should be refreshed.

Informative. Gave a nice history of the culture and country. Ireland is a wonderful country to visit!

Pocket sized and packing with info and insight. This will fit right into my purse and be ready for inflight reference.

BOOK WAS AS DESCRIBED AND ARRIVED QUICKLY.

The book touched the surface of a lot of things, but only went into great detail when talking about the history of Ireland. While the history is very important, so is great detail on current day culture. I was left wanting more and not in a good way. Not what I'm expecting from a book that I have to pay for. Could have Googled it all for free and found the same amount of detail in a few easy clicks.
