Michael Snodin is the author of numerous books and the Head of the Designs Section in the Department of Prints, Drawings, and Paintings at the Victoria and Albert Museum. Dr. Elisabet Stavenow-Hidemark is the former keeper of the Department of Textiles, and the Department of Furniture and the Household at the Nordic Museum, Stockholm.

Many delightful paintings that I hadn't seen before, plus photographs of the same rooms. Intriguing. A Carl Larsson fan for years, this filled in some of my curiosity about his wife and added a good bit of knowledge about their style and their effect on contemporary trends and artists.

A wonderful and informing look at Carl and Karin, their work and influence on Swedish culture and style. Of course, our dear IKEA supported this work and the exhibition in the USA in the late 20th

century, which inspired this outstanding book..

A great grandmother was once married to Carl Larsson. My grandfather's half brother was Peter Larsson.
