Nora Roberts is the number-one New York Times-bestselling author of more than 190 novels, including *The Search*, *Black Hills*, *Tribute*, *High Noon*, and many more. She is also the author of the bestselling futuristic suspense series written under the pen name J.D. Robb. Roberts has more than 400 million copies of her books in print.

Blithe Images is a story about a model, her work, and the handsome man enhancing her career. It is a story of struggle, love and compromise. Hilary and Brent are the main characters. "Cudos" to Nora Roberts for writing another exciting book.

A truly enjoyable story of a small town Kansas girl who made a success of modeling in New York. Once Bret Bardoff came into the picture, she suddenly didn't know what she wanted anymore. The first time Bret saw her picture, he had fallen in love with her. Hilary was an innocent in every sense of the word. That made Bret slow his thinking down and his libido. I always like a slow developing

romance with lots of sizzle, and this is one of them. It is one of Nora's early works (1982) and yet still enjoyable to read even now. Try it for yourself.

cute little story

LOVE

I've read a lot of books by Nora Roberts. This was by far the worse one. There was no substance to it. You don't get to know the characters, let alone fall in love with them.

I was a bit worried that her second outing would be a disappointment. It is not. It doesn't yet have the richness of character and plot of her later works but still a lovely read.

I am in the midst of re-reading all of Nora's books while I wait for some new books to come out. I reread this one and I am not sure what to think. It is a little hokey and you can tell it is early Nora Roberts. But I am also of the opinion that Nora doesn't write "bad" books, just some are better than others. This is not her best, but it is still a good, easy read. Hillary is a top model, Bret is the owner of a top magazine. After meeting at a photo shoot, he offers her the layout of her dreams. They have a relationship based on misunderstandings. You can't help but hope they would just have a conversation to clear the air. You won't love it like her newer novels, but you'll enjoy it.

Great book - kept my interest.
