The Bad Guys are back to deal with the zittens. Book four continues the adventures of Wolf and

friends. A great fun adventure that my children absolutely loved. They can't wait until the next book is released.

My son was super excited to receive this book. He is in 1st grade and started reading these over the summer. They are great books, funny boy jokes. Love the series, can't wait for book 5 in December.

My 6 yr old son lit up when he saw we got this book in the mail today. He thoroughly loves this series! He finished it in no time flat and has already read it a second time just by bedtime!

My daughter loved this book. It was perfect condition and she read it within an hour of receiving it.
