Customer Reviews

Larry Sparks, publisher at Destiny Image has compiled previously unpublished content from Smith Wigglesworth. The book emphasizes Wigglesworth's walk with The Holy Spirit. Each chapter shares personal testimony, teaches and encourages believers that the same Spirit that rested on Wigglesworth is available today. The teachings in each chapter also help the believer to examine

themselves and better understand the awesomeness of The Holy Spirit. The book helped me in my personal walk to allow The Holy Spirit to teach me by faith and believe "all things are possible". If you are struggling to believe that all things are possible to those who believe then this book will help your faith and walk with God. The book is powerful testimony of The living Lord Jesus!

“Manifesting the Power of God” is Biblically based and consistent with the basic tenets of the Pentecostal and Charismatic movements. The book features never before published writings of Smith Wigglesworth. Smith Wigglesworth is recognized as a Pioneer in the modern Pentecostal movement. His life demonstrated such a powerful example that he left a legacy which is still impacting and inspiring lives generations later, a full century after his life changing encounter with God. In a natural progression readers will learn important lessons from the Apostle Paul’s writing in Romans on the results of being filled with the spirit of holiness and be transformed by the quickening power of the spirit of God, His indwelling, anointing, and abiding comfort. They will discover the importance of the gifts of the Spirit and the manifestations of the greatness of His power and how to walk in the fullness of Pentecost while sustaining the Spirit filled life. “Manifesting the Power of God” is for those individuals “hungry and thirsty” to be “immersed, covered, and flooded” by the anointing power of the Holy Spirit and desirous of impacting this same life and power to others. This is an amazing work!!! Previously unavailable, this book is full of the anointing. Every book that I read with Smith Wigglesworth stirs the Holy Spirit in me as I read them. This one is no exception. For anyone who has a hunger for the Holy Spirit, I recommend this book fully to everyone who is wanting more in their Christian walk and yearning for more power in their Christian life. This book is filled not only with Smith Wigglesworth’s personal testimonies which are vivid and demonstrates the power of the Holy Spirit, but also filled with scriptures. Through these powerful testimonies, you will learn to experience the power, intimacy and the truth of the Holy Spirit as every Child of God is commended to experience. I also enjoyed the parts where Wigglesworth writes out his interpretation of tongues, where he prays in the will of God and interprets it and puts it in the written page. Very Powerful !

This is a good book about the filling of the Holy Spirit in the believers. God wants His people filled

with power to overflowing so it will manifest in others lives. God fills His people when they ask. We need to live out lives Holy. God has so much more for His people. We are to be filled to overflowing with love and the the fruits of the spirit. God loves us and wants us to love others as He loves us. God wants us to be filled with His spirit all the time.

This is an excellent book. The man was definitely used ny God. Humble servant.

I could not put it down. Awesome read!

This is a guide of great importance. Read it over and over again. It comes in agreement with the Holy Scriptures but you have to concentrate until you can understand the old English-speaking sentence structure and then say, "ah that is what he means!" Smith Wigglesworth's best .

Every book by Smith Wigglesworth is FULL OF POWER, ANOINTING AND WISDOM!
