JFK: A Vision For America

Synopsis

Published in commemoration of the centennial of President John F. Kennedy's birth, here is the definitive compendium of JFK's most important and brilliant speeches, accompanied by commentary and reflections by leading American and international figures—including Senator Elizabeth Warren, David McCullough, Kofi Annan, and the Dalai Lama—and edited by JFK's nephew Stephen Kennedy Smith and renowned historian Douglas Brinkley. Combined with over seven hundred documentary photos, it tells the story, in words and pictures, of JFK's life and presidency, and depicts his compelling vision for America. JFK brings together in one volume John F. Kennedy's greatest speeches alongside essays by America's top historians, analysis from leading political thinkers, and personal insights from preeminent writers and artists. Here is JFK at his best—thought-provoking, inspiring, eloquent, and wise—on a number of wide-ranging topics, including civil rights, the race to the moon, the environment, immigration, the Cuban Missile Crisis, and much more. JFK demonstrates the deep relevance of his words today and his lasting power and influence as an outstanding American leader and orator. Elegantly designed and enriched by more than 500 photographs and facsimiles of Kennedy's marginalia on drafts of speeches, his notes from important meetings, letters, and other fascinating documents, JFK is a major contribution to American history. The august list of contributors includes Secretary John Kerry, Ambassador Samantha Power, Congressman John Lewis, Senator John McCain, Senator Elizabeth Warren, His Holiness the 14th Dalai Lama, Robert Redford, Conan O'Brien, Dave Eggers, Gloria Steinem, Don DeLillo, David McCullough, George Packer, Colum McCann, Michael Beschloss, Robert Dallek, David Kennedy, Ted Widmer, Henry Louis Gates Jr., Drew Faust, Tariq Ramadan, Pastor Rick Warren, Jonathan Alter, E. J. Dionne, Ron Suskind, Paul Krugman, Kofi Annan, Governor Jerry Brown, Paul Theroux, Jorge Domínguez, and many others.

â€” Insightful. The editors have assembled hundreds of complementary photos, most of them uncommon, enhancing the overall presentationâ€” Amid the stream of JFK books to be released for the centennial, this work should emerge as one of the most complete and useful.â€” (Kirkus Reviews)â€” An extraordinary commemorative history filled with hundreds of formal and candid photos, along with notes, marginalia, letters, and artifacts highlighting JFKâ€™s and the Kennedy familyâ€™s important role in shaping the twentieth century. This is an important addition to American-history and political-science collections.â€” (Booklist (starred review))â€” This celebratory volume is more than just a coffee-table book for Kennedy fans; it is also a useful compendium and reference tool for anyone interested in learning more about his presidency.â€” (Library Journal)â€” [A] stellar collection of speeches and photos. Beautifully done bought it for my husband birthday he loved it.

A beautiful coffee table, commemorative book of one of my favorite Presidents I was one week away from my 6th birthday when the President was assassinated, but remember it like it was

yesterday RIP JFK

Best President in my lifetime! A real leader. He would be so disappointed that the Journalists and Law Enforcement entities continue to perpetuate the "Myth of Oswald as the lone Gunman". You can't fire three shots in 6 seconds from a bolt-action rifle... not to mention Ruby as the Dallas City Boss for Marcello.. you will step up and speak the truth?

If you are a JFK buff the speeches included in this book and historical background surrounding them are very interesting. Some good pictures too.

Well worth buying and most enjoyable reading. Stephen Smith has opened up the family pictures and presented a fascinating look into life with JFK and his Presidency. Excellent work.

Wonderful book for those that like history of dedicated politicians.

This was a gift for my son and he thinks it is great

Excellent book. Love the format. You can open the book at any page and begin reading a different and brief article about JFK.
